Group Rota - 2010

We now have a full time manager and hopefully a few assistants to help on a rota basis.

The Scout Shop can now be opened and we are starting ordering new stock over the next few weeks. This will therefore once again hopefully be a good service and fund raiser for Groups.

To make it work, we do, as before, need support from the Groups with just one person to assist once every 11 weeks. This ideally would be a parent rather than adding to the workload of Leaders, however that is up to Groups!
